Notes from the Principal

Happy New Year 2018 Menomonie High School Community!

Menomonie High School students and staff engaged in many great learning and service opportunities in 2017 which I'm sure will continue into the new year. View the high school Twitter feed [@mhsmustang1](https://twitter.com/mhsmustang1) directly on Twitter and also linked on the High School website at mhs.sdmaonline.com on the bottom right. We use the [@mhsmustang1](https://twitter.com/mhsmustang1) Twitter feed to quickly share with the community the many great activities and events going on at Menomonie High School. There is a "Load New Tweets" option on the website and on Twitter for your convenience so that you can scroll back at your leisure without ever actually needing a Twitter account. There is also a Featured News section on the HS website that I use for events like final exams, Parent Teacher Conferences, Spring Break, and other large event communications.

Final exams for first semester will be

January 10th, 11th, and 12th, which will provide a solid 6 days after break for teachers to complete first Semester learning and provide exam reviews. Second Semester 2018 starts Tuesday, January 16th after the Monday, January 15th non-student staff professional development day.

The 2018-2019 registration process will start toward the end of January for 8th Grade and the week of February 5th for High School students. We anticipate having the initial registration process completed for the 2018-2019 school year by the end of February.

Student Council will again be hosting Cabin Fever week this year at the start of the 2nd semester on January 16th through the 19th with dress up days, assemblies, and several fun activities similar to Homecoming week. This is a great school spirit event that provides a bounce into the second half of the school year.

Cabin Fever Week!

This year Student Council will sponsor Cabin Fever week that will get the entire school participating and still have fun! It will take place on the week of January 16th-19th.

Earn Money for Our School Two Ways!

Shoparoo

Earn: Shoparoo donates to your school

Where does the donation money come from? Their founders are former teachers and retail executives who have found a novel way of matching schools' need for financial support with major consumer brands' need for market research. When you use the Shoparoo app to raise money for your school, your receipt data along with any answers you provide to optional surveys is made anonymous and summarized in market research reports that brands purchase. All research data remains anonymous, and this enables them to give money back to schools!

Introducing New Staff Members...

Being originally from the Menomonie Area, Mrs. Wambolt also is happy to continue making connections to those in the community and Menomonie schools.

DA LY ANNOUNCEMENTS

Like to receive daily announcements and newsletters about upcoming events? You can have them emailed directly to you. Go to <http://menomonie.ss7.sharpschool.com/newsletter> and click Subscribe button in the upper right corner to enter your email address.

Parent/Family Online Access

Online Family Access is available for all families in the district. To obtain a username and password, contact the district office at (715) 232-1642. Please, for security reasons, do NOT share your parent login with your child. Go to www.sdmaonline.com and click on the **Parent Info** link. You can access your child's attendance, grades, fees, and lunch balance. Please remember to update your information and emergency contacts on Skyward Family Access for your student(s). You can also pay online fees for the high school and sports fees.

Free and Reduced Lunch

Families who may be experiencing financial hardship are encouraged to apply for the free and reduced lunch program. Guidelines change and family circumstances change as well. Applications are available in the high school office, as well as the district office. Many times our families are struggling to make "ends meet" and if they are eligible for assistance, it could really help their family. In addition, students who meet free and reduced eligibility are often times eligible for other programs. However, if an application is not submitted, they cannot receive that service. To learn more about eligibility criteria or receive an application, contact the Food Service Office at 715-232-2794 ext. 42124.

Would You Like to Help Inspire Young People to Embrace Successful Futures?

"I loved having the ability to work with and mentor young students.

Having the opportunity to share the knowledge I possess and also gain knowledge from them made the interaction even more enjoyable."

—Jazlin Larson (JA Volunteer)

This year, Junior Achievement is once again sending community members into Menomonie High School's classrooms so that our students can learn about real-life experiences in the business and professional world. Through JA, our students learn about skills needed to run a business, how to budget, and what skills they need to get and keep a job in their future.

There are still volunteer openings for the spring semester in Menomonie High School Classrooms. Junior Achievement offers a training to help you make the most of your classroom experience, all you need is a desire to learn and share with the High Schoolers in Menomonie. You may even be able to volunteer in your child's classroom!

To learn more about volunteering, please contact Hannah Morton at hmorton@javis.org or 715-214-1128. If you aren't able to volunteer, consider sponsoring a student at your school for just \$25 <https://www.juniorachievement.org/web/ja-wisconsin/donatenorthwest>
